WINDOWS

Series 3000 Features:
New Construction

State-of-the-art window technology is hard at work providing durable, energy efficient performance in a maintenance-free vinyl new construction window.

Multi-chambered frame and sash provide increased rigidity and energy efficiency.

Fusion-welded construction for a strong, weather-tight window.

Attractive colonial profile.

2" channel type siding return allows for easy installation.

7/8" insulated glass with Infrared Warm-Edge Spacer, Energy Star, and Low-E Glass.

Vinyl is virtually maintenance free—never needs painting.

Integral fill seal for easy operation.

Block and tackle balance system offers smooth, reliable operation.

Double-pane insulated glass for comfort and energy savings.

Hardware features simple, intuitive designs and is all coordinated to blend with the window.

Replacement Windows Also Available.

Three slope sill prevents water from building up in the sill and leaking into the home.

Reader Advisory: the National Trade Association we belong to has purchased the above classifieds. Determining the value of their service or product is advised by this publication. In order to avoid misunderstandings, some advertisers do not offer "employment" but rather supply the readers with manuals, directories and other materials designed to help their clients establish mail order selling and other businesses at home. **UNDER NO CIRCUMSTANCE SHOULD YOU SEND ANY MONEY IN ADVANCE OR GIVE THE CLIENT YOUR CHECKING, LICENSE ID, OR CREDIT CARD NUMBERS.** Also beware of ads that claim to guarantee loans regardless of credit and note that if a credit repair company does business only over the phone it's illegal to request any money before delivering its service. All funds are based in US dollars. 800 numbers may or may not reach Canada.
